

My Personal Story

Use this sheet to write down your story. This is information that can be shared with your attorney and will shorten the "getting to know you" time. It is also helpful to trigger memories about events that might be helpful in your divorce. Don't worry about making it perfect. Simply jot down things about your life. Here are some things to include: Basic contact information. Where were you were born and what year. Where you grew up. Where you went to college. What you studied in college/grad school. Jobs. Siblings/Parent Info. When you got married. Children birthdates and ages. Places you've lived. Include anything else about yourself that an attorney may want to know.
